

IMPROVE YOUR HOME'S ENERGY EFFICIENCY AND GET UP TO \$3,000 CASH BACK

BE MORE COMFORTABLE IN YOUR HOME. TAKE CONTROL OF ENERGY COSTS. GET CASH BACK.

There's never been a better time to hire a professional to address ice dams, frozen pipes, uncomfortably hot or cold rooms and high heating bills.

ELIGIBILITY

All homeowners are eligible regardless of income level. All 1-3 story, 1-4 unit Maine residences are also eligible.

Qualifying improvements include:

- Insulation and air sealing
- Solar heating systems
- High efficiency water heaters
- High efficiency heating systems
- Geothermal heating systems
- Replacement windows

IT'S EASY

Getting cash back for your home energy improvements is as easy as **A, B, C.**

AUDIT

Hire a Participating Contractor to perform a home energy audit and identify potential energy saving improvements.

BUTTON UP

Hire a participating contractor to make your selected energy saving improvements.

CASH BACK

Get a check for up to \$3,000 from Efficiency Maine. Plus get up to \$1,500 in federal energy efficiency tax credits.
